NWSA

NATIONAL WATER SUPPLY ALLIANCE

Based on a suggestion by NWSA Communications Chair, James McCarty, we have developed a Member webpage as part of the NWSA website. The webpage provides summary information on each of our Members and the organizations they represent. We encourage all of our Members to add their bios to this valuable site.

If you are interested in including your bio to the webpage,
please contact Dave Mitamura (davem@nationalwatersupply.org) for the bio sheet template.
