Annual Meeting 2023
Denver, CO

Board of Directors elections – Nominations

On September 7, 2023, the Nominating Committee recommends the following individuals to fill three open Board seats.

Katherine Zitsch is the Deputy Chief Operating Officer and Senior Water Policy Advisor at the Atlanta Regional Commission (ARC). She joined ARC in 2013, serving for ten years as the head of ARC's Natural Resources program and the Director of the Metropolitan North Georgia Water Planning District. In this role, she oversaw water, wastewater, and stormwater planning across 15 counties and 96 cities in Metro Atlanta spanning six different river basins. As part of her work for ARC, she assists numerous local water providers in their dealings with the Corps and is actively engaged in legislative affairs, including the WRDA process.

Prior to joining ARC, Katherine was a Vice President at CDM Smith. She holds a Bachelor of Science degree in Civil Engineering and a Master of Science degree in Environmental Systems Engineering, both from Clemson University (Go Tigers!). She is a Board-Certified Environmental Engineer through the American Academy of Environmental Engineers.

The Nominating Committee nominates Katherine for a full three-year term, expiring in 2026.

Glenn Page is a water resources and utility management consultant based in Woodstock, Georgia. He retired in 2021 after a 34-year career with the Cobb County-Marietta Water Authority, serving the final 15 years as its General Manager. Before that, Page worked as a design engineer and project manager for two consulting engineering firms. He was appointed to the Metropolitan North Georgia Water Planning District by Governor Nathan Deal in 2017, and currently serves as its Chairman.

Page earned a Bachelor of Science in Civil Engineering from Clemson University and a Master of Science in Environmental Engineering from the Georgia Institute of Technology. He is a graduate of the Institute for Georgia Environmental Leadership and was the 2018 recipient of the George Warren Fuller Award for distinguished service to the water supply field from the American Water Works Association. Page also received the Elizabeth McEntire Award for outstanding service in water supply in 2012 and the Honorary Membership Award in 2019 from the Georgia Association of Water Professionals.

Page is a Registered Professional Engineer in the state of Georgia. He is a member of the American Water Works Association, the Georgia Association of Water Professionals, and the American Society of Civil Engineers, and is a founding member and board member of the National Water Supply Alliance. He also serves on the Leadership Team at Sovereign Grace Church of Woodstock.

If elected, Glenn will serve on the Board of Directors as a representative of the City of Gainesville, GA.

*The Nominating Committee nominates **Glenn** for a full three-year term, expiring in 2026.*

Matt Unruh is Matt Unruh is the Assistant Director of the Kansas Water Office, providing leadership oversight of agency comprehensive planning activities which help to coordinate and guide the management, conservation and development of the state's water resources. Prior to joining the Kansas Water Office, Matt spent nearly 10 years at the Kansas Department of Health & Environment analyzing and working to address issues impacting the water and air quality of the state. A native of south-central Kansas, Matt received his undergraduate degree in Geography from the University of Kansas in Lawrence, KS, and graduate degree in Physical Sciences from Emporia State University in Emporia, KS.

*The Nominating Committee nominates **Matt** for a full three-year term, expiring in 2026.*
